Senate

FRIDAY, DECEMBER 9, 2016

The Senate met at 10 a.m. and was called to order by the President pro tempore (Mr. HATCH).

PRAYER

The Chaplain, Dr. Barry C. Black, offered the following prayer:

Let us pray.

Great and eternal God, we refuse to forget Your generous blessings that bring joy to our lives. You satisfy us with good things in every season. We particularly thank You for the laudable life of former Senator John Glenn.

Lord, You have not dealt with us according to our sins. Continue to sustain our lawmakers. Remind them that their days are like grass, which flourishes and then disappears. May they find sustenance in Your steadfast love, striving to please You in all they do. Give them the wisdom of a reverential awe that will trust the unfolding of Your majestic providence even when they do not understand Your movements.

Lord, we thank You for the faithful service through the decades of Your servant, Senator HARRY REID. As he prepares to transition from the legislative branch, give to him and his beloved Landra fair winds and following seas.

We pray in Your great Name. Amen.

PLEDGE OF ALLEGIANCE

The President pro tempore led the Pledge of Allegiance, as follows:

I pledge allegiance to the Flag of the United States of America, and to the Repub-

lic for which it stands, one nation under God, indivisible, with liberty and justice for all.

RECOGNITION OF THE MAJORITY LEADER

The PRESIDING OFFICER (Mrs. CAPITO). The majority leader is recognized.

REMEMBERING JOHN GLENN

Mr. MCCONNELL. Madam President, we were saddened yesterday to learn of the passing of one of the most iconic figures of the 20th century, John Glenn. He described his childhood as being like something out of a Norman Rockwell painting, but as we all know, his life was anything but ordinary. This smalltown boy from New Concord, OH, came a long way and lived a full life, one that touched many and will not soon be forgotten.

Elaine and I send our condolences to his wife Annie and the rest of the Glenn family.

LEGISLATION BEFORE THE SENATE

Mr. MCCONNELL. Madam President, yesterday the House passed a continuing resolution on a very large bipartisan basis, with more than three-fourths voting in its favor.

Let me repeat that. Three-fourths, a majority of both parties, voted for the legislation needed to keep the government open. While some Senate Democrats may want to delay into a government shutdown, House Democrats

overwhelmingly rejected that approach.

The funding in this CR is critical to our Nation's defense. It supports overseas operations, the fight against ISIL, and our forces in Afghanistan. It provides resources to begin implementing the medical innovation bill we passed earlier this week and to start bringing relief to victims of severe flooding across our country, and of course it includes provisions that will guarantee that retired coal miners in Kentucky—in Kentucky—and other States will not lose their health benefits at the end of this month. Would I have preferred that provision to be more generous? Of course I would have. My request to the House was to fund it for a full year, but we will be back at it in April, and I think it is highly unlikely that we will take it away—just as I would have preferred that so many miners' places of employment hadn't been driven into bankruptcy in recent years, which as we all know is due in no small part to President Obama, his policies, and the overwhelming majority of Senate Democrats who support all those policies that have been a huge factor in creating the dilemma we have in coal country in Ohio, Kentucky, West Virginia. Most of the Senate Democrats support the war on coal.

It has been my intention that the miner health benefits not expire at the end of April next year. As I just said, I am going to work with my colleagues to prevent that, but this is a good time to take yes for an answer. We should pass the CR without delay because if we don't pass the CR, the health benefits will go away at the end of this
